

Mapping SMSC through our French Curriculum.

Spiritual	Moral	Social	Cultural	British Values
By exploring the beauty of languages from around the world. By exploring the way language is constructed. Through reflecting upon and sharing their own beliefs and comparing them to those of a variety of French children. By developing their self-esteem in the learning experience through oral and written use of a new language. By developing their curiosity about themselves and their place in the world.	By developing the confidence to cope with and learn from mistakes To take the initiative and act responsibly with consideration for others when undertaking spoken language activities.	By learning the skill of communicating in different ways. By exploring different social conventions e.g. forms of address. By developing social skills in each lesson through interactions with each other Through learning to co-operate as part of a team in group work.	To show respect for other cultures and their values. To develop a sense of fascination and enjoyment for learning about another culture and its language. By allowing pupils to appreciate cultural influences and how different cultures present different experiences. In doing this they are supported to understand, accept, respect and celebrate diversity.	Respecting people from other countries, faiths and cultures Tolerance of different traditions and culture
