Year 3
Tic Tac Toe
Optional Homework

MATHS

Place the numbers from 1 to 9 in the squares below so that the difference between joined squares is odd. (You must use each of the numbers once.)

[Number Differences printable sheet (maths.org)]

COMPUTING

Create your own stop motion animation! There are lots of apps on iPads, tablets and phones such as iMotion and lego Animation. You can use play doh, lego, toy figurines or draw images

PE

Create your own workout routine. Try and include 2 exercises for 3 different muscle groups.
E.g.- Arms – triceps dips and push ups
Legs- lunges and squats
Core- plank and side plank

SCIENCE

Rocks!
look out for rocks!

- Where did you find them?
- What are they being used for?
- Are they igneous, metamorphic or sedimentary?

PSHE

It's important to stay safe online!

Make a poster about being safe on the internet.

- What should you share and what should you keep to yourself?
- What should you do if something worries you?
- Why should we limit our time online?

MINDFULNESS & WELLBEING

Write a gratitude diary.
Can you write down or draw one thing you are thankful for every day for one month?

GEOGRAPHY

Autumn Nature Scavenger Hunt!

1. Can you find these items in Chesham?
   a. twirling helicopter seeds
   b. bright berries
   c. brown acorns
   d. prickly conker cases
   e. different coloured leaves
2. Can you mark where you found each of them on the map? (print or ask for a copy of the map!)

ART

Head outside and sketch nature.

Take a pencil and a plain piece of paper outside.

Find something that captures your interest and sketch it.
